SENIOR CLASS OF 1941

OUR SENIOR YEAR

As seniors we first entered the central, sacred doorway to the little brick school-house with mingled feelings of pride and meekness, joy and a deep sense of responsibility, and high hopes for the future mixed with misgivings as to our being able to carry out our childish dreams as to the fine and noble things we should do as a senior class. We delighted in the fact that we were the oldest and highest class in the school. To us fell the important task of giving to the underclassmen, by word, deed, and action, a goal toward which they might strive, and an example they would be proud to follow. We remembered vividly how we had looked up to and admired some of the previous senior classes and we desperately wished that we might live up to their high standards and, if possible, surpass them. We had realized for some years that our biggest project was to be the class yearbook. It was toward this that we strived when underclassmen, and in an endeavor to make our senior year as easy as possible, we amassed a treasury of over \$150. We kept continually before us, however, the fact that we had a record and ideals to uphold which required that in our money-raising activities we should have something which would benefit the school and be worthy of the school's whole-hearted support. As the senior year closes we again have diversified and mingled emotions. It is with a sad and contrite heart that we leave our teachers and instructors, our deep-rooted friendships and faithful companions, and our pleasant memories of high school experiences. We shall earnestly try to hold and retain all these things which have meant so much to us. (We go forth in our various ways from a firm foundation and aspire for greater achievements.)

Seniors

JUNE BEERY

Girls' Basketball 2, 3, 4; Stage Craft Club 2, 3, 4; Cheerleader 2, 3, 4; A Cappella Choir 3, 4; Art Club 3; Athletic Council 4; Service Club 4; Yearbook Staff 4.

Magnificently tall and beautiful is the way we would describe this lovely creature. June is extremely versatile.

Her sweet soprano voice is a welcome asset to our choir.

Her talent in art has resulted in many pretty illustrations and her vim and enthusiasm have given her the role of captain in the cheering squad. June is noted for her good looking suits and she is always dressed to perfection.

Her ability in sewing is unsurpassed and her speed and efficiency in this line is remarkable.

She is undoubtedly one of the gayest in the class and her wit and hilarity have won her a million friends. June has been in the class since kindergarten and we will sincerely miss her when Florida claims her next year.

You are the tops, Junie!

HELEN E. BARTON

"Betty"

A Cappella Choir 1, 2, 3, 4; Creative Dance 3; Dramatic Club 3; Varsity Show 3; Girls' Basketball 3, 4; State Choir 3, 4; Service Club 4; Librarians' Club 4; Senior Vaudeville Chairman 4; Band 4; Orchestra 4; Yearbook Staff 4.

If she is tiny with brown eyes, wavy chestnut hair, and a cheery smile, it is surely Betty. Her pleasing voice and knowledge of music have carried her successfully through six years in A Cappella Choir and two in All State Choir. She also plays the drums and patters about on the piano. As a cheerleader, modern dancer, and seamstress she is equally talented.

Betty's friendliness is a characteristic which should be admired. She seems to go out of her way to make friends.

Becoming an air hostess seems to be number one on Betty's list of interesting careers. Her characteristics are well suited for such a profession, but she changes her mind so often it is impossible to even guess what she will finally become. Good luck, anyway, Betty!

BEATRICE BOETTIGER

"Bea"

Girls' Basketball 2, 3, 4; Camera Club 3; Stage Craft Club 3, 4; Art Club 3, 4; A Cappella Choir 3, 4; Yearbook Staff 4.

Blonde hair is something rather scarce in our class, but golden locks plus big blue eyes are something even rarer, especially those belonging to Bea. This stunning girl amazes everyone by her variety of talents in school activities. At ease with a paint brush her art work is admirable. Bea's athletic abilities are unnumbered and she is an outstanding member of the cheer-leading squad. Her gay humor and constant cheeriness are contagious to everyone about her. The class is now accustomed to screams of laughter which announce that Beazie finally appreciates a joke that was told many days ago. Bea is interested in art work, and since she makes a subject herself, we are sure her highest aims will be attained.

PHYLLIS BUTTERY

"Fifi"

Camera Club 3; Stage Craft Club 3, 4; A Cappella Choir 4; Senior Play 4; Yearbook Staff 4.

Upon entering school last year, "Fifi" seemed to glare viciously at everyone. We soon discovered this a mistake, however, for upon uncovering her disguise we discovered a warm and friendly personality together with wicked eyes and magnetic charm. "Fifi" introduced some wonderful new ideas and became at once a staunch supporter of every activity and sport. Her laugh is contagious and her love for fun, extreme. The vivacious personality which she possesses has won her great popularity and a host of friends. She is nothing short of a miracle woman and there is no stopping her either in hilarity or good marks. "Fifi's" low voice, lovely complexion, and brunette suaveness are welcome sights at anytime, in any company. She will probably still be bubbling with youth when the rest of us are old and gray.

WALLACE AUUSER
"Bus"

A Cappella Choir 3; Hi-Y 3, 4; Vice-Pres. 4; Football 3, 4; Co-captain 4; Assistant Editor of "Echoes" 4; Athletic Council 4; Senior Play 4; Senior Vaudeville 4; Track Team 4.

"Bus" with his amazing sense of humor and crazy antics is a familiar sight lounging about the halls in school. His thunderous sneezes are the plague of many a teacher. "Bus" is really quite a versatile fellow. Besides being an authority on aeronautics, he plays the piano, piccolo, and trumpet for his own amusement. "Bus" was a smashing success in football last fall, covering himself with well deserved glory. In the winter he turned Junior G-man and patrolled the ice-skating on Wildwood Lake. "Bus" proved his excellent actor's talent in the role of the villain in our senior play. His good looks, deep voice and scholastic aptitude are all responsible for his being a favorite with teachers and students alike.

ROBERT BECK
"Bob"

Tennis Team 2, 3; Band 2, 3, 4; Orchestra 2, 3, 4; Math Club 3; Basketball 3; Track Team 3; Boys' Glee Club 3; A Cappella Choir 3, 4; Service Club 3, 4; National Honor Society 3, 4; S. G. A. 3, 4; Senior Play 4.

Bob is one of those rare individuals who can win friends and still influence people in a remarkable fashion. By some ingenious trick of nature Bob is not only blessed with boundless good spirits but, behold! a fine mind! We never know when or how he accomplishes so much, for he has not only held the presidency of our class for the last two years, but this year was elected head of our local chapter of the National Honor Society, and then bobs up unfailingly at the head of the class.

Along with his scholastic ability, Bob has been playing varsity position on both the Track and Basketball Teams for the past two years. And when he is not fighting for his Alma Mater, you can find him among the members of our school band. Bob's versatility will always assure him of an audience and successful future. Good luck, Bob. Your class respects and thanks you heartily for your unforgettable work.

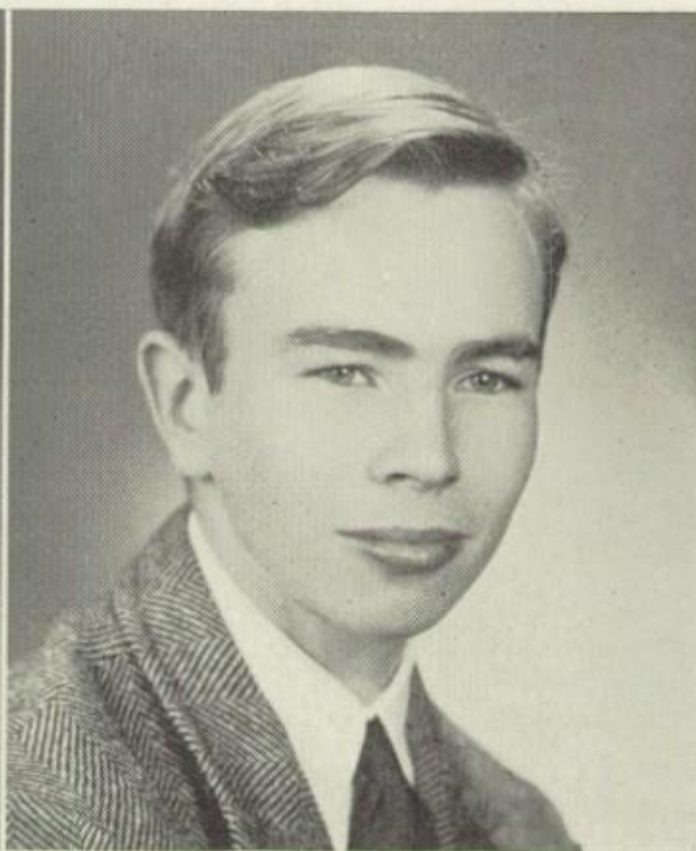

WILLIAM CARROLL
"Pinky"

Basketball 3; Hi-Y 3; Football 3, 4.

Pinky is that tall redheaded fellow you saw playing end on our varsity football team. Together with his lankiness, laziness, and dapper haircomb, which we believe he accomplishes with the aid of an egg beater, he cuts quite a figure. Among his many odd characteristics are his amazing sense of humor which gives forth many old jokes, his "come hither" whistle, and his inability to get out of bed in the morning in time for the eight-thirty bell. Pinky is enrolled in school but it may be noticed that he has no deformalities from carrying books home. All in all Pinky is well liked by one and all, even his little brother "Red" whose dessert he claims now and then.

Whatever Pinky chooses to do later in life we are sure that he'll make out all right with a little aid from Providence.

THOMAS DELCHAMPS
Tim

Tim's five feet five frame is hardly ample for the personality, good humor and driving energy it contains. He has excelled in three extra curricular interests, while he has been in high school. He may best be remembered as our 1940 Basketball manager and as the general manager of all sports in 1941. He has acted more or less as the Coach's right-hand-man for the past two years.

His second interest is music. He is a self-taught trumpet player and has played first trumpet regularly this year for the high school band and orchestra.

His third interest has been punning and mangling the King's English which he does with reckless abandon at all times. His broad grin and ebullient personality are bound to carry him far.

DOROTHY BUTTS
"Dotty"

Girls' Basketball 1, 2, 3; A Cappella Choir 1, 2, 3, 4; Athletic Council 2, 3; Cheerleader 2, 3; Camera Club 3; Minstrel Show 3; Senior Play 4; Service Club 4.

Natural beauty and poise are "Dotty's" most outstanding characteristics. Her greatest delight is walking to school in the teeming rain and at such times her naturally curly hair becomes a mass of beauty. "Dotty" is a great walker and she also loves ice-skating, swimming, skiing and dancing. She is very partial to the outdoors and puts her whole heart into anything connected with it. "Dot" is reserved and conscientious in her school work or whatever she undertakes and her pleasant disposition makes her a great favorite with all. We really envy the lucky man who hires "Dotty" as his private secretary. We might hint that besides all that has been said she is domestically inclined. Draw your own conclusions about this lovely girl while we wish her a happy future!

ELIZABETH J. CONARROE
"Janey"

A Cappella Choir 2, 3, 4; Varsity Show 3; Senior Play 4; Yearbook Staff 4.

We dream of "Janey" with the dark brown hair! Janey is one peach of a girl, easy to know, understanding, and a lot of fun in any atmosphere. She loves teas, showers, dances and characters, and is a master at poise and sincere personality. "Janey" wants her immediate future to be behind a perfume counter handling the delicate bottles with equally delicate hands. Knowing her power of persuasion, no one would leave that department without a \$50 bottle of Suivez-Moi. "Janey" is very often kidded about her athletic prowess. She is definitely the gym class cut-up and couldn't tell a "birdie" from a basketball. "Janey," you're a panic in pink—be sure you never turn blue. You'll be a success because you make your own opening.

PATRICIA M. CUNNINGHAM

"Cute Bacon"

Stage Craft Club 2, 3, 4; Art Club 3, 4;
Service Club 4; Yearbook Staff 4.

Look out, girls, here comes "Cute Bacon." Feel that warm glow? That's Pat's magnetic personality. Although a spark of disappointment strikes now and then, it soon disappears for Pat can stay mad for just about two minutes. Then her smile comes dimpling through and—oh well, she has us that way!

"Cute Bacon" has won many, many friends because of her pleasing disposition. Her attitude towards life is so sunny, that none of us could be gloomy when she is present. Her laugh is natural, and, when smiling, her brown eyes look like two shining stars peeping out from a peaches-and-cream complexion.

Looks speak louder than words so we'll let you glance at Pat for yourself, but you better not carry her away for we would miss her too much.

MARIANNE A. FLIFLET

Dramatic Club 3.

There is no doubt that Marianne is of Norwegian origin! Besides her obvious name, she has fair skin and a shining head of hair. The latter is a distinction, for it is of an unusual shade and resembles spun gold. Marianne is domestically inclined and appears to be right at home behind a stove. Yes, boys, she is a wonderful cook. She is very quiet most of the time, but her eyes laugh a good deal. Her long fingers fairly fly over the typewriter and she is well known for accomplishments in this line. She delights in skimming along the ice on her wonderful new skates and participates in all winter sports, hence ice shows and ski jumps are her favorite forms of entertainment. Marianne will strive to become a secretary and in this field, especially, she will shine!

DAVID MARVIN GREEN
"Greenie"

Basketball 1, 2, 3; A Cappella Choir 1, 2, 3, 4; Football Manager 2; Class Treasurer 2; Librarian's Club 2, 3; Stage Craft Club 2, 3; Art Club 2, 3, 4; Track Team 3; Class Secretary 3; Boys' Glee Club 3; S. G. A. Vice-President 3, 4; Service Club 3, 4; Hi-Y 2, President 3, Secretary 4; Minstrel Show 3; Cheerleader 4; Senior Vaudeville 4; Dance Committee 2, 4.

See that duck paddling down the hall? Well, that's "Greenie"! He's the greatest "quacker" among the boys! Any time you feel "a la mood" for "chewing the rag," Dave's your man. He is a "slap-happy son of jive" with a contagious laugh, who can tell you Tommy Dorsey's latest number and just where to get the best in Adam's hats.

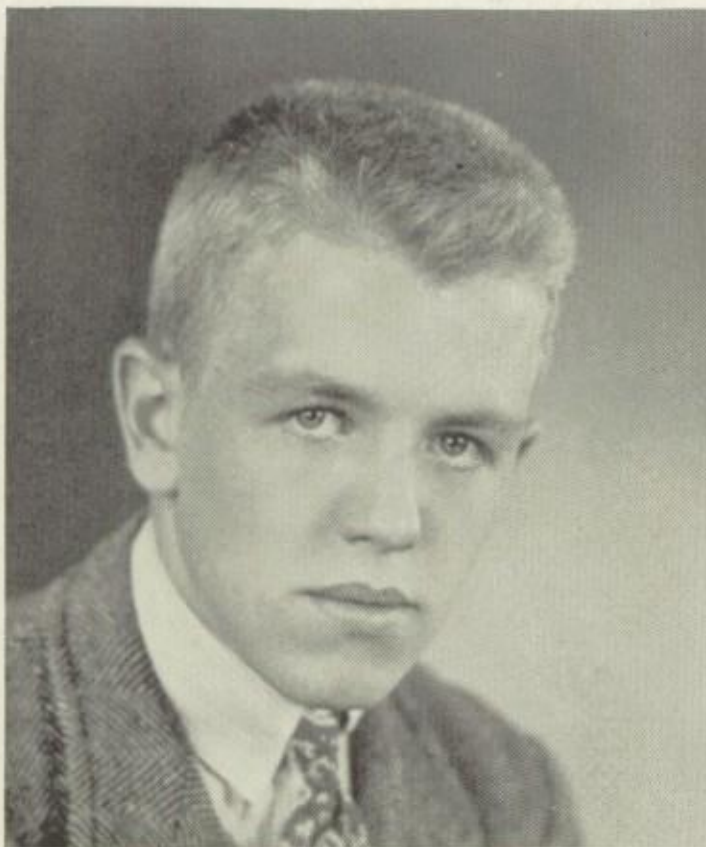

"Greenie" is never without his harem, for which he is noted, even in the Art room where he rules in his magnificent pink and green bathrobe! His carefree manner is an everyday garment, but underneath Dave possesses a great gift of concentration which does not pertain merely to his loving harem. With your keen sense of humor and affable manner you will make a big hit at college, "Greenie"!

ELWOOD K. GANNETT
"Elly"

A Cappella Choir 2, 3, 4; Math Club 3; Service Club 3, 4; Hi-Y 3, 4, Treasurer 4; "Echoes" Staff 3, 4, Business Manager 4; Class Secretary 4; Treasurer of S. G. A. 4.

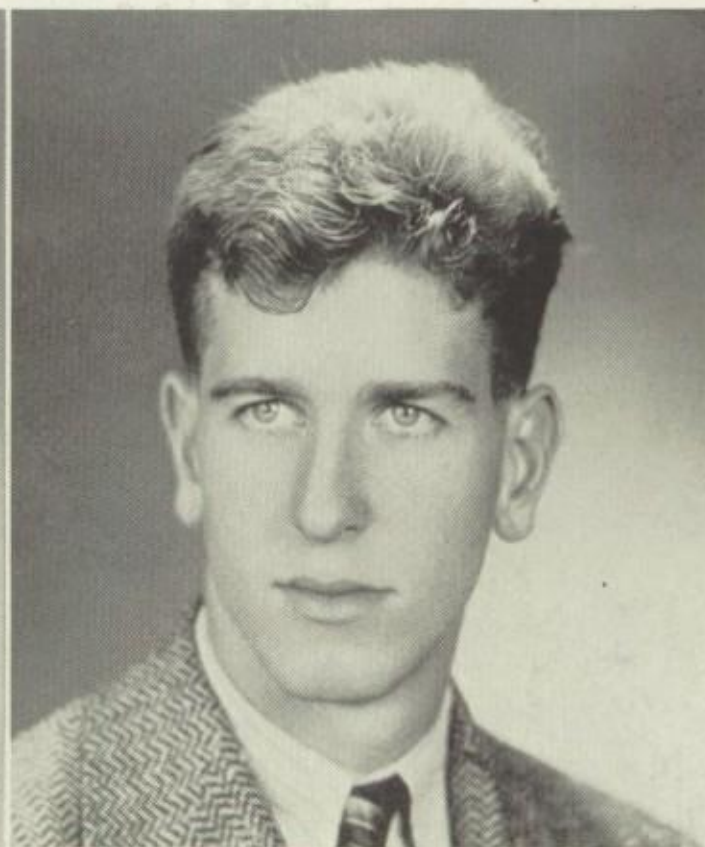

"Elly" is a combination of Fats Waller and Bing Crosby with a dash of Einstein thrown in. His piano playing is "super" and he usually draws a large crowd of admirers when he begins a tune. He is a good student, but seems to enjoy mathematics above all else. His height and good looks make him very attractive and his voice is a fine addition to the bass section of choir. "Elly" is blessed with a sense of humor which is displayed to its fullest extent in his amusing oral topics. He always succeeds somehow in accomplishing the maximum amount of work. This amazing feat along with his many good qualities should help him to go far in the engineering line. We know it will be before the engine and not behind.

DUDLEY HIGGINS
"Dud"

Varsity Show 3; Track Team 3, 4; Football 3, 4; Hi-Y 4; Yearbook Staff 4.

Not quite Esquire, but just two points star-board of the mark. "Dud" is one of those boys who can have a full calendar for the week-end and still report to school on Monday and give a favorable recitation in class. "Peaches and Cream." Oh yes, we call him that too, can surely whip up funds for our treasury. Dud might have slept all during a year book meeting, but later you could find him button-holing some business man for a year book advertisement. Next year, at Christmas vacation, Dud will return, a proud man in his snappy Norwich College uniform, his badges and pins and carrying his pop-gun. Don't get your bugle calls mixed, Dudley—there is a difference between "dress" and "mess"!

EUGENE S. HASTINGS
"Gene"

Football 4; Basketball 4; A Cappella Choir 4.

Although unknown to him, many girls in the school hold a secret and fervent admiration for our newly acquired Denville representative. And who could blame them! Gene was a hero on the gridiron and an ace on the basketball floor. His football playing was very tricky, and we have no doubt, caused much consternation among the opponents. He has a hearty laugh and a pleasant word for everyone. Gene dresses nicely and many have been the times that his gay colored socks, the only weakness of his which we can discover, have flashed a little life into an ordinarily dull classroom. He manages to expose them in amazingly conspicuous places. Some day soon other students will be profiting from the experience and ability of their physical education instructor, for that teacher will be Gene.

PATRICIA HUMPHREY
"Pat"

Class Treasurer 1; Prom Committee 1, 2, 3, 4; Class President 2; A Cappella Choir 3, 4; Service Club 3, 4; Class Vice-President 4; Editor-in-Chief of Yearbook 4; Senior Vaudeville 4; Senior Play 4; National Honor Society 4.

A very tiny and dainty figure, an unceasing cheerfulness, scads of clothes, dashes of class spirit and cooperation and a mania for the hardest job in every activity are the ingredients which compose a "pie a la Humphrey." She is exquisitely petite and has a rich quality to her voice. Always on the go, Pat undertakes and accomplishes all manner of important duties, while her classmates look on, awed but unhelpful. She is a born leader and the yearbook would still be a dream without her. Her charm is magnetic and her personality unequaled. Pat is a conscientious service-clubber and is often seen drawn to her full height and bearing a stern look, meant to demand respect, and which amazingly enough, does. May the light to your future be green, Pat!

ETHEL W. HOLTJE
"Wini"

Dramatic Club 3; A Cappella Choir 4; Senior Vaudeville Committee 4; Senior Play Committee 4; Senior Play 4; Assistant Editor-in-Chief of Yearbook 4; Assistant Editor of "Echoes" 4; National Honor Society 4.

Wini, when she fortifies herself behind those symbols of knowledge known currently as "glasses", is the not-so-typical Mountain Lakes High student. Once she lets her hair down, however, we gaze upon an awfully cute "gal" with a great sense of humor and beautiful, sparkling blue eyes. "Wini" is terribly crafty with the pen and produces oodles of witty compositions in both prose and poetry. She is famous for a very amazing accomplishment, that of walking into classes late and winning the teacher's forgiveness with a humble yet naughty smile. She is very congenial and as talkative as any six cats sitting on a white-washed fence in the moonlight. Your profound determination to attain the goal you have set, "Wini" will certainly get you there. Now let's see your dust!

JEANETTE HUBER
"Nettie"

Dramatic Club 2; Secretary and Treasurer of Library Club 3, 4.

Jeanette is a friendly, dark-haired girl and very conscientious and serious about her job as a librarian. Just what Mrs. Thompson is going to do without her next year, we are sure we can't guess. All of us have depended on her for help many times this past year. Not only did she find books for us, but she made us bring them back when they were due. Jeanette is, without a doubt, an excellent example of dependability and cooperation super plus! If more of us were like her, the teachers would be much happier.

Jeanette's ambition is to be a teacher. We all know she will be an excellent one for she possesses tact and a great deal of patience. She has been indispensable to us and we really appreciate it!

MURIEL HOTELLING

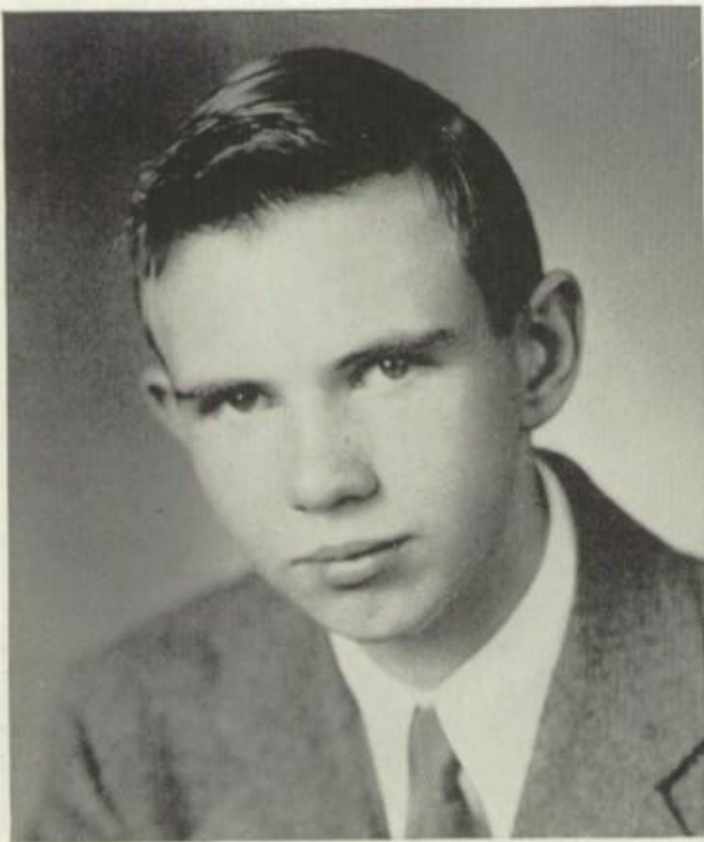

"Echoes" Staff 3, 4, Editor 4; A Cappella Choir 3, 4; Yearbook Staff 4; Minstrel Show 4.

Muriel is one of those amazing people possessing several qualities which distinguish them from the rest of us. As editor of the "Echoes", our very popular school paper, she displayed qualities of leadership and initiative. She gave generously of her time to make this enterprise a success.

Then, too, she is one of the youngest in the class—a fact which can only prove further her initiative spirit and which also points to excellence in marks and studies.

In music classes she has been complimented many times for the lovely quality of her voice. She is an enthusiastic supporter of our A Cappella Choir and really puts her heart into a song.

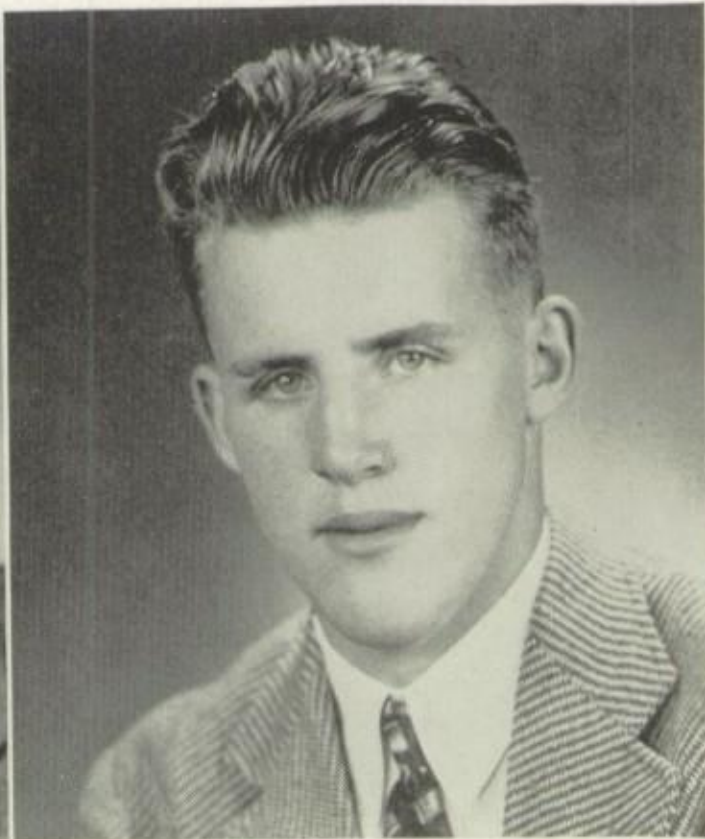

Muriel seems to enjoy tackling the hard jobs and perhaps that is why she has high hopes of becoming a psychologist. She will be one, too!

BRYAN PITTS
"Toughie"

Basketball 1; Tennis Team 1, 2, 4;
Track Team 3; Camera Club 3; Service
Club 4.

Toughie is definitely not the name for this studious member of our class, but nevertheless it has stayed with him. Always looking like a page from Esquire with his impeccable dress, his neat appearance is completed by his slick brown hair. When Bryan's hair is uncombed everyone knows that something is terribly wrong or he has a great deal of work to accomplish. Tennis is Toughie's specialty and his excellence on the court certainly makes up for every other sport. This senior is always at the right place at the right time which is evidence of his business-like manner. Bryan hopes to enter the field of statesmanship and we feel sure that his talents will lead to success.

WILLIAM HOLSTEIN
"Holie"

Class Vice-President 1; Basketball 1, 2; Football 1, 2, 3, 4; S. G. A. Council 1, 2, 4; Secretary of Hi-Y 3; Track Team 3, 4; President of Hi-Y 4; Student Council Judge 4; Secretary of Athletic Council 4; Service Club 4.

Holie is undoubtedly a combination of a wandering romeo, an at-your-service-madam bell boy and the cornerstone of this year's student government association. He possesses a wonderful gift of "drive" which has starred him in the backfield of the old pigskin parade. Everybody likes and respects Holie for his generosity and eagerness to cooperate, and although he is more a man's man, he is not by any means a woman hater! You can buck down any alley, Bill, and you will always come up on top!

KENNETH MORESE
"Kenny"

Track Team 4; A Cappella Choir 4;
Senior Play 4; Minstrel Show 4.

A gust of wind and a flash of green are no longer regarded with terror for everyone knows it is just "Kenny" driving someplace in no minutes flat. Although only here a short while, "Kenny" has already become famous. His first appearance caused quite a stir, for manpower in the senior class is sadly lacking. Besides, the new arrival had blonde curls and a ready smile. "Kenny's" "à propos" remarks, which are a constant source of embarrassment to teachers and of amusement to his classmates, have established him as one of our class humorists. Despite his apparent nonchalance in studying, his marks are the best. The peculiar way he twists himself around a chair is amazing!

Medicine will be "Kenny's" future and, take it from us, his bedside manner will be terrific!

ROBERT NEWMAN
"Henry"

Hi-Y 3; Varsity Show 3; Senior Play 4.

Shhhh! Before you turn that corner, let us warn you as to what you most likely will bump into.

It wear pants (very immaculately we might say), it never carries a book but blows away on an imaginary sax, it loves skirts—all of 'em, pink and blue too, and will probably be trying to convince a certain Barbara Pearson as to how many 'quartos' the "Polacks" in the "parle" were drinking!

Well, don't say we didn't warn you. Meet the half pint! Bob, your public awaits you, autograph books and all!

Newmie is a typical misunderstood, wise-cracking, lovable and tempermental high school student. Therefore a natural Senior Class production of "What a Life."

Heaven only knows what you want to be Bobbie, we don't and we're sure you don't, but why not try acting?

ANNE INGRAM

Dramatic Club 3, 4; Librarians' Club 3, 4; Girls' Basketball 3, 4; Camera Club 3, 4, President 4; S. G. A. 4; Senior Vaudeville Committee 4; Senior Ball Committee 4; Yearbook Staff 4.

A sense of humor combined with an easy-going manner will be responsible for Anne's success. Her athletic ability is well known throughout the school and she shines in basketball especially. Her chief ambition is to be a gym teacher and due to the great amount of talent that she has exhibited so far, we are all sure that she will be one of the finest. Anne is also a "whiz" at math. She spends much time trying to invent a baffling new formula. She is cooperative, cheery and one of our most conscientious pupils.

It is Anne, the gym teacher, however, for whom we predict the most success.

HELEN M. JACKSON

"Hel"

Class Treasurer 1, 3; Art Club 3, 4; Secretary of S. G. A. 4; Senior Ball Committee 4; Chairman of Senior Play Committee 4; Yearbook Staff 4.

"Hel" is one of those wonderful persons who is never lacking, except when exhaust-pipes, bumpers, and fenders are concerned. One glance at this debby-looking gal, with a cute joke in her brown eyes, and behold!—God's gift to a millionaire. "Hel" possesses a subtle personality that is the envy of the girls and simply slays the boys, but behind all this smooth allure is a simple dignity which holds the respect of all who know her. She is one of the most responsible and willing among us and should be praised for her commendable work toward the success of our Senior Play. Although she manages to get more paint on herself than on her subject, "Hel" is very talented in the field of art.

MARY M. JOHNSRUD
"Johnnie"

Camera Club 2, 3; Dramatic Club 2, 3, 4; Stage Craft Club 2, 3, 4; Cheerleader 2, 3, 4; Art Club 3, 4; Service Club 3, 4; Yearbook Staff 4; Senior Play 4; Senior Vaudeville Committee 4; Class Treasurer 4.

There is only one "Johnnie" in our class. "Johnnie" can well be compared to a green light. She is full of zip and zoom, with sparkling blue eyes "thrown in". She has the wonderful knack of accomplishing her every venture and doing a remarkable job of it. She is a vivacious "gal" and the backbone of the cheer-leaders. Her ability with the brush and pallet is commendable. Time means nothing to "Johnnie", "a la Schiaparelli", when she is in need of a new date dress. Mary is as effervescent as they come; she is a bubble forever bursting into joyous laughter. She is crazy and sensible and certainly deserves a wonderful future. When her bow lips part they reveal beautiful, pearly teeth. Your smile is your greatest asset, "Johnnie", so never stop.

MARCIA A. METZGER
"Marsh"

Girls' Basketball 1, 2, 3, 4; S. G. A. 1, 2, 3, 4; Art Club 2, 3, 4; Varsity Show 3; "Echoes" Staff 3, 4; Athletic Council 3, 4; Camera Club 3, 4; Service Club 4; Senior Play Committee 4; Senior Ball Chairman 4; A Cappella Choir 4; Yearbook Staff 4.

This lovely girl could not be nearer perfection! Her friendship is especially cherished by those coming in contact with her sincerity and faithfulness. "Marsh" has auburn hair, which curls delightfully, her eyes possess a twinkle, and her smile is saucy. She is very talented and can always be found in the art room just "messin' around". A masterpiece is the usual result, for she has excellent talent in this line. It would be impossible to make her admit it, and in this modesty lies the secret of Marcia's charm; when praise hits her it bounces right off and never sinks in.

"Marsh" has a weakness for "swing" and can be found "rug cutting" to her favorite records in her spare time.

We love you, "Marsh", so paint your future rosy!

ALICE WIELICH
"Allie"

Orchestra 1, 2, 3, 4; A Cappella Choir 3, 4; Camera Club 3, 4; Librarians' Club 3, 4; Band 4; Dramatic Club 4; Senior Play 4; Yearbook Staff 4.

"Allie" is our own example of a petite French doll with the proverbial long chestnut-colored hair and devilish bangs. Although she is quite small, she knows what she wants and usually succeeds in getting it. On or off the dance floor, she is full of pep, and, no matter where she goes, she has a twinkle in her brown eyes. Strangely enough, "Allie" delights in odd things, and, for although we have said "thumbs down" on her high socks, she still insists on wearing them.

"Allie" is quite talented in the musical field, being in the band, orchestra, and choir. If physics doesn't get her down, she would like to enter the bacteriology field. Well, here's the best of luck to you, "Allie", and we all hope that the "big bad wolf" never makes you fall.

CONSTANCE SCHOLTEN
"Connie"

Although many people think that "Connie" is too quiet, she is one of the nicest girls we know. She is one of Mr. Doublier's best French students, and her chief ambition is to become a language teacher. "Connie's" long periods in the hospital have in no way influenced her work, for she has the ambition to keep on no matter what happens.

At home she enjoys cooking and sewing and may often be seen whipping up some delightful new dish for her family's approval. "Connie" has rather a dreamy nature which often marks "The Thinker". We see much in "Connie's" character which will help make her a success in her chosen field, for she has the patient, plodding nature which is so necessary today.

JUSTINE SHIR-CLIFF
"Tina"

Dramatic Club 3; A Cappella Choir 4;
Senior Vaudeville 4; Senior Vaudeville Committee 4; Senior Play Committee 4; Senior Play 4; Yearbook Staff 4; National Honor Society 4.

It is "Tina" who supplies the senior class with its musical talent. However, it seems that few realized this fact until we heard her voice pour forth into the auditorium the night of the senior vaudeville. Its delightful charm and freshness holds excellent promise for her future success in this line. At first meeting she appears to be a quiet, retiring sort of person, but underneath this outward appearance there lies a spark of deviltry which can never be entirely concealed. She has been a wholly reliable member of the class ever since she arrived in fourth grade. Her chief ability in schoolwork lies in languages and history, but she is an all-round good student in practically anything she undertakes. Whatever it is that makes success we know she has it.

AUDREY SAWYER
"Aud"

Dramatic Club 1; Stage Craft Club 2;
Creative Dance 3; Librarians' Club 4;
Service Club 4; Yearbook Staff 4;
Senior Ball Committee 4.

"Aud" is our idea of a truly super girl. Her quality of sincerity is envied and admired by all. She possesses an appealing charm and a tall, willowly beauty. Her hair resembles that of a novelist's heroine for it is as soft and gleaming as silk. We couldn't go without mentioning her eyes, either, for they are large and friendly, bordered by long feathery lashes and very exceptional orbs. She is the spirit of cooperation itself from the top of her curly hair to the tip of her toes, which do have a habit of turning in. "Aud" holds malice towards none, which is one reason for her absolute popularity. She is undecided about her future, but it's a "cinch" that she will be a success in whatever she undertakes.

IRENE WILLIAMS

"Reeny"

A new member of our class, Irene is well liked for her quiet southern manners and her friendly smile. It's restful just to be with her, for her voice is soft and soothing, and her actions smoothly silent. She is also imbued with an unaffected manner, and this naturalness is very becoming. A wonderful sense of humor is her greatest asset.

Her admitted weaknesses are tall blonds, fried chicken and week ends. Perhaps the three of these delights will unite some day.

Reeny has been pretty homesick for Maryland, but we hope she has enjoyed her stay up north. Reeny is perfectly suited for her chosen profession, nursing.

BARBARA WOODWARD

"Barb"

Dramatic Club 2; A Cappella Choir 2, 3, 4; Service Club 4.

"Barb" is known for her vivacious nature and her petite charm. She is very fond of sports, particularly skiing and figure skating. The latter appears high on her list of accomplishments. Dancing and swimming run close seconds in popularity.

Her main ambition is to become a professional skater or connected in some way with dramatics. The ability which she possesses in this line, and her eager determination for success should certainly take her far towards reaching this goal. She has also taken an active interest in music since her Sophomore year, when she became a member of the A Cappella Choir. The subject nearest her heart is French.

Her willingness to cooperate at any time has impressed us and, for this we will remember her long after she has forgotten us.

QUIN P. TURKINGTON
"Turk"

Track Team 3; Football 3, 4; Senior Play 4; Senior Vaudeville 4; President of Service Club 4.

Quin is a happy simlie of God's gift to women. He has the appearance and personality of a "to be" millionaire with ALL the accessories. Needless to say Quin is quite the most affable boy in the class and his personality is just as flowing as his conversation. Turk's blue sports coat has certainly been around and we do mean around!

Of course he was in the pigskin parade. He was one of the linesmen for the dear old orange and blue.

However, the highlight of this happy fellow's high school career contains more than just being a social whirl and a number 65 gridiron man. Quin, as president of the Service Club, has performed miracles with this efficient organization. It is a respected and dignified club with an extremely popular leader.

RICHARD WEBB
"Dicky"

Class Secretary 1, 2; A Cappella Choir 1, 2, 3, 4; Boating Club 2, 3; Band 2, 3, 4; Orchestra 2, 4; Boys' Glee Club 3; Math Club 3; S. G. A. 3, 4; President of Librarians' Club 3, 4; Athletic Council 4; Service Club 4; Yearbook Staff 4; Senior Play 4; Senior Vaudeville Committee 4; Basketball Manager 4.

"Dicky" is one of the few who can boast of having been raised and educated from infancy in Mountain Lakes. His intellectual ability, coupled with his unfailing sense of humor and delight in punning, makes him always an enjoyable companion. In the realm of music he has no peer. He has sung in A Cappella choir since its organization, has bellowed with the glee club, and has sung several times with the state choir in Atlantic City. His faculty of manipulating the drum sticks has constituted a valuable contribution to the band and orchestra for years. A child of the seasons, he is an enthusiastic skier and a veteran sailor. He aspires for a future in chemistry; so we give formal notice to all atomic particles, beware!

A TRIBUTE

To Scho, our class adviser, for guiding us in the right direction when we were undoubtedly pulling in the wrong one, for graciously offering his much needed help in all of our class activities, and for providing a never-failing dash of humor to pull us through those miserable spots of tension.

We know that we have given Scho many uneasy moments, but with the rumored rest which we hear he is to have in the future, we hope that he will regain his previous unharassed outlook on life. To him we extend our deepest appreciation and the best of luck.

CLASS HISTORY

Ever since the class of 1942 entered seventh grade it has been characterized by the enthusiasm with which its students have stepped into the spirit of Mt. Lakes High. Now as ambitious Juniors they are anticipating their Senior year, not untinged with regret that it will be their last here.

Students of the class have been outstanding in extra-curricular activities as well as in their school work. All the clubs and sports claim members from this class as their leaders or ardent supporters; this is especially noticeable in the A Cappella Choir.

The Juniors have accomplished much this year under the wise guidance of Mr. Trimble and the class officers. By sponsoring numerous functions, such as "Weber, the Wizard"; a magician; and a movie, "The Buccaneer", they have a well-filled treasury which is essential for the coming year.

Here's to you, Class of '42, for luck in your coming year as seniors in Mountain Lakes High School.

SOPHOMORE CLASS

CLASS HISTORY

Lois Rogers

During the year just passed the Sophomore class has really become a part of the high school. Orderly class meetings and quick, intelligent thinking followed the older regime of noise and inefficiency. Soon the results were apparent to all.

Not being satisfied with just following the usual activities, the class wracked its brains for something different. Finally, the idea of a faculty-student basketball game was suggested. This idea was a financial success as well as a most entertaining spectacle.

The Sophomore Hop, true to tradition, was one of the most delightful experiences of the year. This dance had been the objective of the class through all the preceding months, but even the highest expectations were thoroughly satisfied.

In all school activities the Sophomores play an important part. Football, basketball, and track and also clubs and other organizations are supported to a great extent by Sophomores.

If this class continues with the good work it has lately been accomplishing, it can go far in the years ahead.

FRESHMAN CLASS

CLASS HISTORY

Ruth Webb

The Freshman Class has started on its four-year journey and is hoping to make a mark for itself under the watchful eyes of Mrs. Kindle and Mr. Wikander.

The membership of the class has jumped from 42 to 60 in one year because of the addition of many out-of-town people.

Although the class is represented in nearly all school organizations and participates in many school sports and activities, its leaning is toward music, for members are in both Band and Orchestra and many add their lusty voices to the choir.

They have not sponsored any social affairs as yet, but have high hopes and many plans for the future, also ideas and plans for activities before the end of the school year. The class is very proud of the seventy dollars in its treasury, which is slowly and steadily growing.

Their aim is to create a good impression during their school life and help make the Mountain Lakes High School a pleasant and well-organized place to work.

CLASS HISTORY Marcus Finnegan

The class of 1945 is an extremely up and coming class that is expected to go far in the high school.

During every marking period this year the eighth grade has led all the other classes in the number of students on the Honor Roll. They are proud of this record and hope to keep it up.

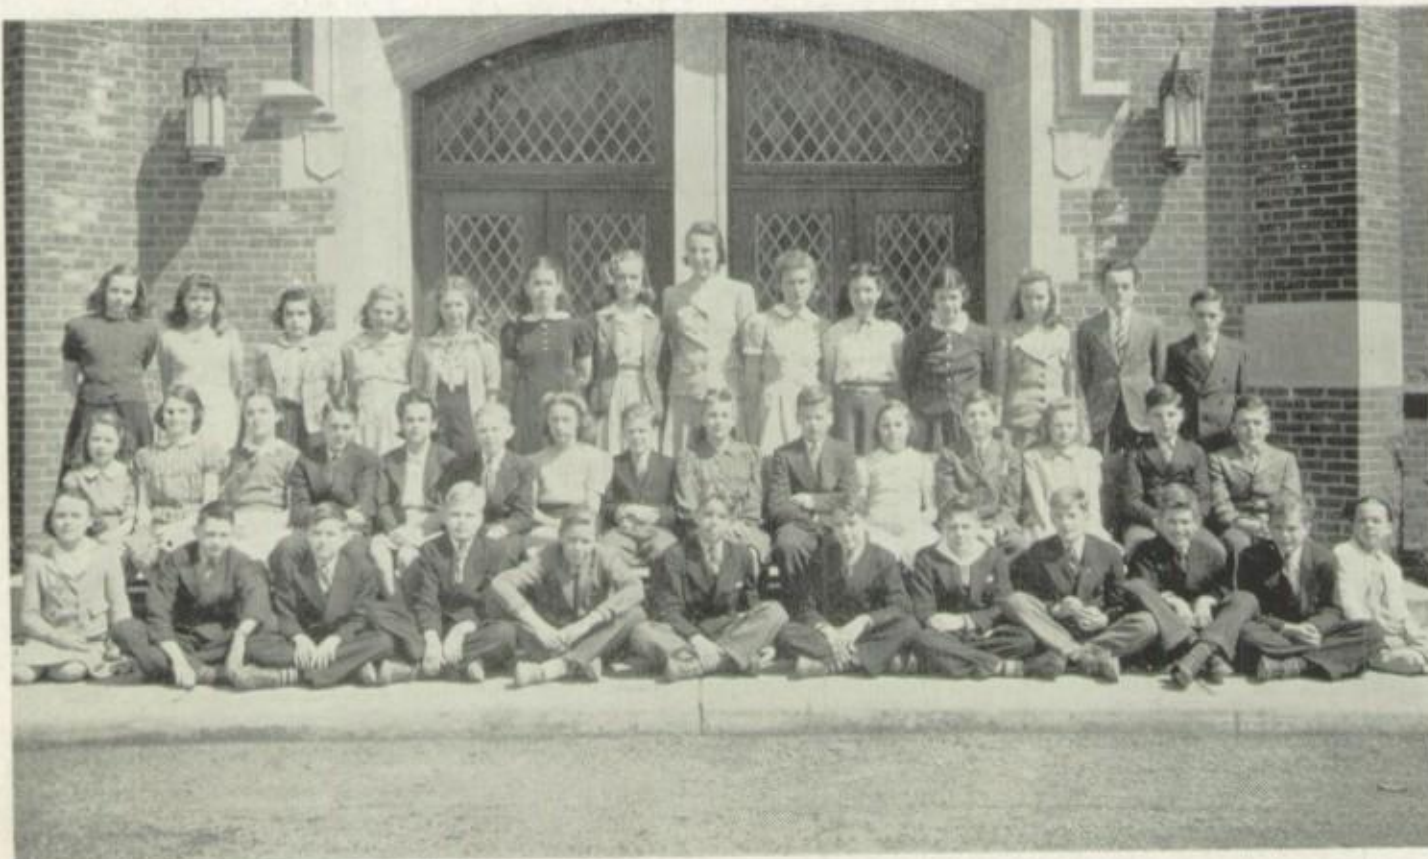

They have only a small amount in their treasury since they had made a very generous donation to the Red Cross.

They are noted for their fine basketball team which has badly beaten their rivals the ninth grade, many times. They seem to be very promising for the Varsity teams of the future.

In the S. G. A., they are ably represented by Jack Stringer and Mary Evans and are expertly advised by Miss Blanchard and Mr. Wikander.

Their members take part in many of the school activities such as the band, orchestra and the A Cappella Choir. Mr. Milkey says their class would make a very fine choir in themselves.

Good luck to you, Seniors of '44-'45!

CLASS HISTORY

Socially, the class of 1946 has had many good times, but this has not been the extent of their endeavors. Their treasury was very small at the beginning of the year, but through selling magazine subscriptions they now have over sixty dollars.

They have enjoyed athletics very much, and in field hockey and volleyball, the girls successfully won in the 8th-7th Grade tournaments. The boys have been very active in football and basketball, and it is certain the Seventh Grade will contribute some good material for future teams.

The boys proved their skill in Home Economics by giving Mr. Milkey a pumpkin pie at the time of his accident. The girls collected contributions from the class and gave Mrs. Milkey a lovely bed-jacket.

"We are all very happy to be part of the 'big school' and wish to thank the upper classmates for their patience and kindness toward us. Our class advisers, Miss Kerr and Mr. Smith, have helped us in every possible way, and we are sincerely grateful to them."

FOOTBALL

The Lakers opened the 1940 football season at Caldwell holding their larger opponents to the lowest score of their five year series. While defeated by a 14-6 count, they gave their Essex County rivals many anxious moments during the game.

The following week, the team travelled to Washington and although losing 19-7, they showed quite an improvement over the previous 32-0 defeat of 1939.

In the third week, the boys scored their first victory in the best played game of the season. Trailing 6-7 late in the last quarter, the locals came through with a safety and a last minute touchdown to defeat Wharton 15-7.

The Lakers journeyed to Flemington next week where they gained a moral victory by tying their more experienced rivals 19-19. In fact the orange and blue led until the closing minutes when Flemington scored twice on long passes.

The fifth game saw a plucky St. Bernards eleven hold Mt. Lakes to a 6-6 tie.

The next game was to be with Netcong, however, Netcong gave up the sport and a return game with Wharton was scheduled. This encounter was taken by the visitor by 15-0.

The blue and orange played their last game of the season at Roxbury and then county rivals with a score of 6-0. Long runs by Jack Greene featured the locals' victory in the season's finals.

The team had the heaviest line in Mountain Lakes history. The backfield featuring Shultz, Hastings, Holstein and Deitz, was fast and charging. Under Coach Smith's able direction the team has great possibilities for next year.

GAMES

Caldwell	14- 6	Mountain Lakes
Washington	19- 7	Mountain Lakes
Wharton	7-15	Mountain Lakes
Flemington	19-19	Mountain Lakes
St. Bernards	6- 6	Mountain Lakes
Wharton	15- 0	Mountain Lakes
Roxbury	0- 6	Mountain Lakes

THE BASKETBALL TEAM

The basketball team had an unfortunate year with only three victories. The first game of the season saw the Varsity trim the highly-favored Alumni team, but it turned out to be a costly victory since one of the Varsity regulars, Bob Beck, received a head injury that kept him on the sidelines for the remainder of the season.

In the early part of the season Mountain Lakes overcame the highly-favored Roxbury quintet by a close margin, 18 to 15.

Later in the season, this same Roxbury team defeated an excellent Dover High School team. To prove that the first game was not sheer luck, Mountain Lakes turned back the Roxbury netsters a second time near the end of the season.

Another highspot of the season occurred when Caldwell travelled to Mountain Lakes. In the preliminary game with the Caldwell JayVee's, the score was deadlocked with a minute to play. Then Caldwell made a basket on a long shot from mid-court. The lead stayed in their hands with Mountain Lakes trying desperately to knot the score. When the final whistle blew, one of the most even and exciting games of the season had been played.

The prospects for next year seem exceedingly bright. The squad will not suffer any losses through graduation and the Junior Varsity has shown great ability this year by winning 7 games.

We'll have to say this just wasn't our year. Next year we hope the squad shapes up as well as it ought to.

TRACK

This is the second year the school has had a varsity track team on its sports calendar. Last year the team made its initial appearance on the field and it might be added that it made a fine showing.

Since the beginning of school in September, on several occasions, certain enthusiasts have held practice even during the snow. All school track meets are away, due to the absence of a school track.

Their coach, Mr. Willing, is as much a trackman as the rest of them and is especially proud of the boys in their new warm-up suits.

The team has adhered strictly to Mr. Willing's training rules, which has undoubtedly been one of the most important reasons for their splendid performance

Athletic Council

The Athletic Council, composed of boys and girls, was formed to assist the Physical Education department in establishing wholesome athletic traditions, and in building up public opinion in support of athletics for physical, mental, moral and social benefits rather than as public spectacles.

The students who participate as members of this council are afforded opportunities for leadership, initiative and responsibility. The managing of all athletic contests, the selecting of cheer leaders, the devising of a system of awards, the revision of the council's constitution, the organization of sports, and the Varsity Show were some of the contributions made by this organization during the past year.

FACULTY-SOPHOMORE GAME

"I never saw a purple cow,
I never hope to see one,
But I can tell you anyhow,
I'd rather see, than be one!"

Not that cows are related to the Faculty—Heaven forbid! But the expressions of amazement, after-grins, and finally, roars from the spectators, were evidence enough to say that a purple cow and a faculty basketball team are received similarly. And so it was, that great day when the Sophomore team challenged the Faculty.

Mr. Wikander stole the limelight from the other up-to-the-moment faculty stars by losing his sneaker. Mrs. Milkey, Miss Blanchard and Miss Armstrong rooted gleefully for their men, singing a victory song to "Three (5) Blind Mice". You can send this next line to Ripley—The Faculty won!

SOCCER

The girls' soccer tournament was equally as exciting as was the girls' field hockey tournament. Girls from the Freshman, Sophomore, Junior and Senior classes participated in this intramural sport voluntarily and as an extra-curricular function. All the girls who joined in the fun received points toward their hard-earned numerals and letters.

This year the Juniors were the champions under the leadership of Helen Ancona. Their team outplayed all others, although it was an extremely close contest.

FIELD HOCKEY

The Field Hockey tournaments were made much more enjoyable for the teams this year because the teams were able to use the newly completed playground for a field.

The girls were, on Tuesdays and Thursdays for five weeks, putting forth every effort in preparation for the tournament. The games were very exciting and full of pep as the girls from the side lines cheered their respective teams on to victory.

The Juniors under the leadership of Jean Amadon were the winners of the contest. All classes put forth a good, rigorous struggle which made it a more thrilling tournament for the spectators as well as the players.

VOLLEY BALL

This tournament was one filled with great anxiety and tension right up until the closing moment of the last game. Anne Ingram was the Senior's very able captain.

Each class played an excellent game, and they must be praised for their good sportsmanship shown at all times. Although the Seniors were the victors, they won only by hard fighting throughout the season.

BASKETBALL

The season for basketball closed with all honors to the Juniors. Mildred Bowman was their active captain. They played a hard and sincere game using clever strategy which never failed to baffle their opponent.

To close the season a play-day was held at Mountain Lakes with Buxton. The Juniors and Seniors of Mountain Lakes played Buxton's teams. One game was won by each team. The refreshments ended a very enjoyable evening.

THE CHEERLEADERS

Mountain Lakes cheering attained a new high during the 1940-41 season. A most ambitious and energetic group of cheerleaders led the members of the student body in unfailing and whole-hearted cheers.

Originating new and unique routines, they displayed added skill and technique as the year progressed. The 1940-41 squad deserves much credit and recognition as all the members were full of genuine enthusiasm throughout the season.

THE STUDENT GOVERNMENT ASSOCIATION

The purpose of the S. G. A. is to transact student affairs and to stimulate interest in class activities. To clarify the actions and duties of the body, an assembly program was presented. The entire council held a business meeting on the stage for the benefit of the school. Many questions were answered at this time for the students and they realized again what a truly fine organization the S. G. A. is.

SERVICE CLUB

The Service Club, this year, really lived up to its name, for through the work of Mr. Schofield and the aid of the S. G. A., a complete reorganization was accomplished. New rules were established and offenders of the latter were forced to appear before a court. This tribunal, held every Friday afternoon as required, consisted of three teachers, three students, and a student-judge and Scho as a prosecutor.

This plan worked very well and the result was a more cooperative student body and a more efficient Service Club.

BAND

Although the band played at only a few of the home games this fall it made a striking appearance on the football field. This year the band was led by two remarkable little majorettes who twirl their batons with exceptional dexterity. Besides performing at the football games it provides music for other purposes such as the Memorial Day services. Our high school is proud of this musical organization, which is under the direction of Mr. E. T. Milkey.

ORCHESTRA

The High School Orchestra, under the baton of Mr. Milkey, is composed of faithful musicians who attend rehearsals once a week. The talent is limited and varied because this group is small. As the orchestra has been rehearsing a great deal especially for the Seniors' graduation, the class of '41 extends to them their most sincere appreciation.

A CAPPPELLA CHOIR

The A Cappella Choir has just completed another successful year under the able direction of Mr. Edward T. Milkey. Although the choir has been singing for only five years, it has already established a reputation which any group of young amateur singers would covet.

Two concerts are given each year in which fifty-two well-blended voices participate. One of these concerts was given at Christmas time. The music sung by this

high school choir put many a person, young and old alike, into a Christmas spirit. The second concert was given in May, the spring atmosphere added to the program.

We are indeed proud of this group of high school boys and girls. Their voices are well worth the praise given them. Praise is not the only thing they have earned; the high honor of belonging to the New Jersey All State Choir has been bestowed on two of its members.

THE LINE AND COLOR CLUB

The Line and Color Club, although formed only two years ago, has become increasingly popular in the school and some excellent work has been done by it. This year they presented an assembly program of living pictures and a film about great paintings. The object of the club has been to stimulate interest in creative art, and it has certainly succeeded in attaining this aim.

THE STAGE CRAFT CLUB

The Stage Craft Club is one of the real reasons for the success of our school plays and fashion shows. This Club has clearly shown what it is possible to do in the way of stage settings, costume, properties, and make-up. The group has been under the direction of Miss Callaway and Mr. Wikander, who have given very generously their time to advise and instruct the club. The Stage Craft Club has made a great name for itself and has even greater future in store.

THE CAMERA CLUB

The darkroom of the Camera Club has been the scene of considerable activity during the past year. Under the guidance of Mr. Trimble and Anne Ingram, the members have shown an increasing interest in photography. During the year the club bought a new enlarger which has added interest and activity of the members.

Many of the more artistic, printed their own personal photographic Christmas cards, in a most professional way.

We know the enthusiasm of the Camera Club members will continue to grow in the years to come.

THE DRAMATIC CLUB

The Dramatic Club was organized early in October with a record number joining. During the year two short, but entertaining comedies were presented by the members of the group, namely: "The Lost Silk Hat" under the supervision of Miss Armstrong's ever-watchful eyes and "Not Quite Such a Goose" ably directed by Patricia McGreevy.

The purpose of the organization is to give to the pupils of our school an opportunity to try their skill in all phases of dramatics and with this thought in mind it will continue through the years.

HI-Y

The Mountain Lakes Gamma Hi-Y is a member of both the National and County Y.M.C.A. Their purpose is to create and maintain high standards throughout the school and community.

This year, by being exceedingly active in this section, they were ranked the highest club in Morris County.

The club has contributed its services to the school and community affairs by offering aid to the British Relief Activities, the Sports Field project, and undertakings within the school. Its members are noticeably active in the extra school activities under faculty supervision.

Their weekly meetings which are held at the school, have had as their guests most of the outstanding residents of Mountain Lakes. The members find this a splendid method to better their knowledge of the Community.

THE LIBRARIAN CLUB

Though the Librarian Club is rather small and discreet its duties are unlimited. It aids the students in finding information, checks books in and out, and repairs the volumes.

The Seniors are deeply indebted to Mrs. Thompson and Jeanette Huber for all of their patient guidance in enabling them to find the material they so needed.

In former years the Librarian Club was under the able direction of the Hi-Y, but now it is an independent organization with Mrs. Thompson as an adviser.

Members of the club are Lynn Brown, Audrey Sawyer, June Ritz, Ruth Black, Alice Wielich, Marion Nelson, Jean Amadon, Mary Jane Easton, Marion Scholten, Peggy Lodge, and Patsy Warren. Richard Webb is President; Bill Holstein Vice-President, and Jeanette Huber. Secretary-Treasurer.

SPRING, 1941

Our literary publication **Echoes** appeared for its second season and included the most successful work of sophomores, juniors, and seniors in the essay, sonnet, short story, quatrain, and other literary forms. The lack of creative artistic accomplishment among pioneers is proverbial: that our young high school has shown the talent that appears in the **Echoes** is a credit to us all and should be a source of especial pride to the staff, whose hard work and critical taste brought it out, and to Miss Armstrong, whose cordial sympathy and literary skill made her an inspiration as well as a faculty advisor. We expect the school's further progress out of the pioneer stage to show up in the **Echoes** of succeeding years.

"CRACKED ICE"

On November 22nd, we presented an original and unique vaudeville show called "Cracked Ice." There were three main "chunks," while a number of comic and musical skits filled in between. "Scho," to whom we owe completely the success of the show, wrote and directed "Bagdad," a "surprise-comedy." The Little Theater Group put on a typical old-fashioned villain play as the finale of the show.

It was a great success financially and everyone there seemed to enjoy it thoroughly.

SENIOR BALL

The Senior Ball after weeks of diligent preparation, was held during the Christmas vacation. The gym was decked with huge candles framed in evergreen boughs romantically dimmed lights, and attractively arranged greens stood in each corner. The music from the Budd-Laird Orchestra completed the perfect setting, and left pleasant memories for every couple that was present.

THE SENIOR PLAY

In April, the Senior class very proudly presented their play, "What a Life," a three-act comedy directed by Mr. Doublier. The play concerned a subject familiar to us all, school, but was hilariously unlike any associations which we have with it. Henry Aldrich, the lead, has many troubles that lead to very amusing complications. The play seemed particularly well suited to the class and a wonderful time was had by the cast and audience alike.

SENIOR BRIDGE

The first attempt at an outside activity made by the Senior Class was a very successful bridge which was held in October. It was under the supervision of Mary Johnsrud who managed the affair very capably. The Senior girls made attractive tallies for the occasion and they were in keeping with the colorful season. The bridge was well supported and was a great help to the Senior finances.
